44	Doug	Bocchino	07-19-05	Randolph Township: Museum of Old Randolph	Enhancement of landscaping at Museum of Old Randolph – designed, constructed, and installed benches; planted shrubs, spread mulch over weed-free mesh and added rock border.
45	Jeff	Berner	10-10-05	Randolph Township: Millbrook	Beautification of Millbrook Firehouse exterior through addition of stone planter wall - removed stretch of parking lot asphalt, leveled ground, built 30'long x 4'high x 3' deep planter box.

Eagle Number	First Name	Last Name	EBOR Date	Project Beneficiary	Project Description
				Firehouse	
46	PJ	Catizone, Jr.	12-24-05	Religious: Resurrection Parish	Replacement of sign plus landscaping – removed worn wooden sign face, installed new stone facing to match church facade and refurbished aluminum letters; created rock garden, installing rocks and plants by St. Francis statue near main entrance.
47	Greg	Klatte	12-24-05	Randolph Township Schools: Fernbrook	Refurbishment of entrance area at Fernbrook School – replaced eight wooden benches, repaired the two frost-heaved brick patios beneath the benches, sanded and painted the signpost; landscaped the trees.
48	Tom	Morrell	03-11-06	Dover: Community Children’s Museum	Renovation of foyer, store, and office – cleared areas, installed tile flooring and carpeting, patched and painted walls, installed welcome desk and shelving
49	Bryan	Heck	06-29-06	Dover: Community Children’s Museum	Indoor and outdoor improvements – constructed stone planter/retaining wall; conducted “clean sweep” of storage room including proper disposal of old computers and other unwanted materials, organization of remaining materials and room painting
50	Chris	Tshanakas	07-10-06	Randolph Township Schools: RMS	Interior courtyard makeover at Randolph Middle School – cleared out stumps, plants, and old railroad ties; installed flagstone patio; constructed and installed benches.
51	Dave	Leone	07-11-06	Randolph Township: Brundage Park	Major cleanup of Brundage Park Reserve area near parking lot – cleared brush and debris, spread topsoil and mulch, added rock border and installed gate
52	Dave	Colardeau	08-30-06	Dover: Community Children’s Museum	Refurbishment of exterior walls – repaired cracks, brushed and power washed loose paint, applied 2 coats of paint and stenciled logo on front wall; completed painting all sections of full-wall mural on side.
53	John	Haslett	01-21-07	Religious: St. Peter’s Episcopal Church	Refurbishment of Parish Hall kitchen, bathroom, and large room – removed old utilities, cleaned, repaired, painted walls; repaired light fixtures.
54	Joe	Haun	03-25-07	Randolph Township: Randolph Pound	Construction of rabbit hutches for the Randolph Animal Pound – found design online, modified it to meet the needs of the RAP, and built and installed three large all-weather hutches.
55	Brian	McAvoy	06-19-07	Randolph Township: Art Works Studio	Landscaping at the ArtWorks Studio - rebuilt two retaining walls; trimmed foliage; removed pachysandra and installed newspaper weed barrier and mulch for a tree border; planted perennials; installed flower boxes; cleaned out gutter leaders; weeded, reseeded front lawn.
56	Mike	Dour	07-25-07	Interfaith Food Pantry	Interior and exterior renovation of entrance vestibule - power washed and scraped exterior, sanded and spackled interior, and painted inside and out; installed new tile floor, molding, light fixture, and bulletin board; added exterior sidewall to divert water from walkway.
57	Dane	Mellan	09-22-07	Religious:	Landscaping the surroundings of the retreat house – weeded, edged; installed newspaper weed

Eagle Number	First Name	Last Name	EBOR Date	Project Beneficiary	Project Description
				Loyala Retreat House	barrier and mulch; added benches and plantings of annuals.
58	Mike	Tango	10-05-07	Religious: Grace-The Church on the Mount	Landscaping the entire entrance side of the church building – removed most of the original plantings and trimmed others; prepared soil and planted new bushes and flowers, installed newspaper weed barrier and mulch.
59	Tom	Perini	10-05-07	Dover: Community Children’s Museum	Performing “clean sweep” of museum work room – painted and completely reorganized 15’x18’ room full of junk through sorting, recycling, discarding, and installing partitions, shelving and other storage sections.
60	Adam	Westenberger	11-17-07	Randolph Township: Library	Construction of reading patio for the Randolph Township Library – designed and installed bluestone patio, built and permanently installed 4 benches and added planters and flowers.
61	Alex	Petrakis	11-26-07	Randolph Township Schools: RMS	Landscaping two areas outside of Randolph Middle School – removed 3 truckloads of grass, dirt, and debris; planted trees and bushes; spread newspapers topped with mulch; installed brick-paver patio and benches.
62	Patrick	Lafferty	10-24-08	Religious: Mt. Fern Methodist Church	Landscaping around church - planted 15 boxwoods near drainage basin and installed 3 brick walkways across parking lot islands, including inscribed bricks sold to raise funds.
63	Josh	Leibowitz	11-14-08	Religious: Temple B’nai Or	Renovation of old, 20’x40’ multi-purpose room into a youth lounge – spackled and painted walls, carpeted, refinished kitchen cabinets, reorganized closets and added a couch and foosball table.
64	Brandon	Kirschner	02-07-09	Randolph Township: Dog Park	Creation of agility equipment for the Randolph Dog Park – designed, built, painted and permanently installed three pieces of equipment for dogs to use in a previously empty fenced-in area.
65	Bill	Quinn	03-24-09	Randolph Township: Randolph Trails	Construction of kiosk, trail map box, and trail markers on new trail in Combs Hollow Historic District - built kiosk and box, repaired or replaced several markers, pruned and weeded along trail, cleaned up trash.
66	Greg	Tango	04-27-09	Randolph Township Schools: RHS	Construction and landscaping of eating patio at Randolph High School by main gym doors – leveled area, laid brick patio, planted and mulched shrubs, and installed picnic tables.
67	Noel	Thomas	05-06-09	Randolph Township: Museum of Old Randolph	Creation of artifacts inventory for the Museum of Old Randolph – took color digital photos of museum sections and objects in 3 main rooms, recorded object names and measurements, downloaded photos and printed thumbnails, then matched thumbnails with pre-existing description cards to prepare inventory pages in plastic sleeves. Created 3-ring inventory binders divided by museum section.
68	Cody	Snyder	08-17-09	Religious: Resurrection Parish	Creation of a prayer garden – designed and built 10’x3’x1’ wooden planter with platform for St. Francis statue; planted perennials in this and 10’x3’ brick planter; refurbished 8 concrete benches and installed a fountain.

Eagle Number	First Name	Last Name	EBOR Date	Project Beneficiary	Project Description
69	Thomas	Koshy	12-12-09	Religious: Diocese of Paterson, Catholic Charities	Landscaping around Hope House in Dover, including providing seating - cleared weeds, garbage, old plantings, and mulch from parking lot perimeter; planned and planted new flowering perennials and added mulch; refurbished sign; built and installed two permanent benches.
70	Michael	Thomas	04-12-10	Morris County: Hedden Park	Creation of 4 rest areas along Hedden Park Trails – designed, built, sanded, stained benches; prepared bench sites by clearing and leveling a 10x4ft. area for each; transported benches to sites and assured their permanency by staking them with chain to cement-filled holes
71	David	Peitzer	04-27-10	Religious: Temple Beit Yisrael, Morristown	Reorganization of 3 storage rooms – cleaned out clutter, restored floors, built 5 – 6’x3’x1’ wooden shelving units, replaced materials, and allowed extra shelf space for future purchases.
72	Oliver	Bateman	06-18-10	Religious: Mt. Fern UM Church	Upgrade of church lot for handicapped and elderly parking – repainted lines for 4 handicapped parking spaces and converted 9 parking spaces into “Elderly Parking” by painting dashed red-and-white lines to outline spots; created and installed hand-carved wooden signs to designate all the special parking areas.
73	Jacob	Leibowitz	04-25-11	Religious: Temple B’nai Or	Construction of large storage shelves and organization of materials spread around basement – designed and built 15 mega-shelving units (4’x8’x8’ high); categorized and organized all materials stored in basement, and stocked them in an orderly manner onto the shelves.
74	Rahul	Keeranoor	05-17-11	Morris County: Hedden Park	Construction of information kiosks for Hedden Park – designed, assembled, painted 6 information kiosks to be placed along the trails in various areas of the park
75	Sandeep	Dheram	06-27-11	Religious: Diocese of Paterson, Catholic Charities	Construction of 8’x8’ shed for Hope House in Dover – designed shed in accordance with Hope House requirements, cut all wood and built then roofed shed; shingled roof then painted finished project.
76	Eric	Newton	08-11-11	Randolph Township Schools: Fernbrook	Revitalization of the Environmental Center at Fernbrook School - restored wooden retaining walls by power-washing and applying two coats of stain; removed decrepit bench alongside one wall, and rickety staircase that led up to a flowerbed; restored six wooden benches by wire brushing the metal bases and applying Rustoleum, then replacing the rotted wood, and staining to match the retaining walls.
77	Robert	Thomson	08-12-11	Randolph Township Schools: RHS	Construction of cabinetry to house drums for the RHS Band – measured all the various drums, designed storage unit specifically to fit them with attention to height for ease of storage for larger drums; cut, assembled, sanded, stained, and applied multiple coats of polyurethane.
78	Kyle	Ruppel	10-20-11	Religious: Mt. Fern UM Church	Refurbishment of three primary grade Sunday School classrooms – Primed and painted the classrooms, built cupboard to conceal exposed piping, and constructed a bookcase to store loose toys and books.
79	Ben	Ritter	03-18-12	Randolph Township Schools: Fernbrook	Enhancement of the Fernbrook Elementary School Environmental Center – designed and constructed a three-section-frame educational resource to display the effects of erosion on varying terrains; built stairs with railing to provide access to raised garden beds.
80	Liam	Faresich	06-08-12	Randolph	Construction of deck and benches at Randolph Park Lake – designed and built 8’x24’ deck

Eagle Number	First Name	Last Name	EBOR Date	Project Beneficiary	Project Description
				Township: Randolph Park	with benches for parents/grandparents next to the new Spray Park feature at Randolph Park.
81	Jeremy	Sporn	06-13-12	Randolph Township: Freedom Park	Renovation of snack bar/announcer's booth at Freedom Park's Little League Baseball Field – Cleared out clutter, painted walls and exterior wood features, replaced countertop, installed new tile flooring and molding, added storage, new posters, defibrillator, barstools.
82	James	Lambariello	07-31-12	Randolph Township Schools: Center Grove	Construction of two custom-designed-and-fit furniture-grade storage units of 24 1'x1' cubbies for Center Grove School – designed units to fit specified area; routed, stained, glued, installed dowels at all joints, sanded, stained, finished; cleared the areas for the cubbies, installed them, loaded in classroom materials.
83	Joshua	Sittner	09-11-12	Randolph Township Schools: Fernbrook	Construction of railroad tie walls, railings, stairways in Fernbrook School Ecology Center – leveled area for future patio and partially enclosed with railroad tie walls; added stairways and railings to allow quick access to school door; stained all to match the rest of the courtyard work.
84	Corey	Jaffa	09-19-12	Randolph Township Schools: RMS	Construction of violin and viola racks for Randolph Middle School - designed two sizes of racks; measured, cut pieces; assembled, sanded, and polyurethaned to finish racks.
85	Evan	Jaffa	09-30-12	Randolph Township: Randolph Pound	Creation of cat exercise equipment for new Randolph Pound in Chester – designed “cat trees” ( multipurpose objects designed for cats), including platforms, carpeting, scratching material, soft bedding, hanging toys; built, finished, and installed them.
86	Ethan	Sterk	10-16-12	Chester Township: Community Garden	Creation of communication center and rest area for the Chester Environmental Commission's Community Garden – designed, built, stained and permanently installed two-sided message board kiosk so gardeners can communicate with each other and the Commission can communicate with them, and added 3 benches for the gardeners to rest.
87	Skyler	van Dyke	12-16-12	Boonton Township: RVA Sports Club	Construction of team benches for Rockaway Valley Aerodrome Sports Club– designed 8' benches, built and finished 6 benches and placed them on the lacrosse and soccer fields as designated by the town.
88	Gerard	Ferrante	06-28-13	Randolph Township Schools: RHS	Construction of podium and display case for Randolph High School – designed podium and display case to meet RHS requirements; built, polyurethaned, and decorated podium, adding a reading light and an “R” with back lighting; built, finished, and installed the display case.
89	Ryan	Taggart	12-05-13	Religious: St. Matthew the Apostle Parish	Restoration and renovation of unused prayer/peace garden at Saint Matthew the Apostle Church – erected a fence around the air-conditioning system; removed dead plants and added new plants, flowers, shrubs, and mulch; power washed brick pathway, patio, and existing cement bench; designed and built two wooden benches.
90	Daniel	Rios	03-31-14	Randolph Township: Museum of Old	Restoration of Mining Exhibit in Museum of Old Randolph – cleared clutter from area, repaired/repainted mural and fake rocks, rewired lanterns, reset exhibit including memorabilia from other museum areas, and put up signs to explain exhibit and the historical implications of mining to old Randolph.

Eagle Number	First Name	Last Name	EBOR Date	Project Beneficiary	Project Description
				Randolph	
91	Ryan	Kased	12-13-14	Religious: Resurrection Parish	Construction of brick paver patio outside Community Room at Resurrection Parish - broke up and cleared old damaged walkway and overgrown shrubs; marked off and dug out new patio area, installed drainage pipes; backfilled and spread and tamped QP; laid pavers and brushed sand in between to finish.
92	Russell	McKee	02-22-15	Randolph Township: Randolph Rescue Squad	Design and construction of picnic tables for the Randolph Rescue Squad – found design online, modified it to work better; built and painted 4 picnic tables.
93	Eric	McKee	02-22-15	Randolph Township: Museum of Old Randolph	Exterior Beautification of the Museum of Old Randolph – cleared planting beds of weeds and old mulch, installed Weed-X, installed plantings and new mulch; built and painted picket fence; re-shingled well cover roof.
94	Steven	Turi	06-25-15	Randolph Township Schools: Fernbrook	Creation of seating for outside amphitheater in the Outdoor Education Area at Fernbrook School – designed bench placement; built, painted, and installed 9 permanent benches; mulched the area.
95	Chris	Cafero	07-27-15	Randolph Township Schools: RHS	Creation of two cello storage racks for the RHS Orchestra – used plan provided by beneficiary; measured, cut pieces; assembled, sanded, and polyurethaned to finish racks.
96	Ali	Karamat	08-12-15	Randolph Township Schools: Center Grove	Redesign of unused outdoor classroom area at Center Grove School – removed the 4 walls and 3 rotted benches from the existing structure; refinished the central covered area; designed and built 8 moveable benches using pressure-treated lumber; stained the new benches and the covered area dark brown.
97	Erik	Melone	10-22-15	Randolph Township Schools: RHS	Design and construction of 4 trophy cases for the Bands of Randolph at RHS – created plans for two different sizes of cases with glass shelves and sliding glass doors; built and stained the cases; transferred them to RHS; installed the glass.
98	Alex	Biehler	11-12-15	Randolph Township: Randolph Pound	Design and construction of a donation box to hold donated pet beds, food and toys – created plans for 12’x 3.5’x 4’ tall structure with slanted, shingled roof and 6 doors; built, painted, and installed the box at the new Randolph Pound location.
99	Charles	Neely	11-12-15	Morris County: Hedden Park	Construction of 20-ft. footbridge over washed-out section of Hedden Park trail – stabilized southern bank by packing rocks; cleaned out dry creek bed; resized County footbridge-plan; fabricated bridge sections; assembled at park site.
100	Peter	Geannakakes	12-22-15	Randolph Township: Museum of Old Randolph	Exterior Beautification of the Museum of Old Randolph – constructed railing along garden pathway; built rock walls around gardens; refinished 5 existing benches; weeded gardens and removed poison ivy; planted shrubs and added 4 inches of mulch to all gardens.

Eagle Number	First Name	Last Name	EBOR Date	Project Beneficiary	Project Description
101	Dhanush	Sureshababu	02-04-16	Randolph Township Schools: Fernbrook	Restoration and beautification of some parts in the environmental center – designed and created a frame around the fish pond tub; installed new seating on 6 benches along the walkway; sanded the picnic table, and stained all of them to match.
102	Nick	Shetzline	04-01-16	Morris County: Hedden Park	Design and construction of picnic tables for Hedden Park barbecue area – modified design received from Morris County Parks Commission to work better; built 5 picnic tables, and delivered them to the park.
103	Tommy	Herc	04-22-16	Religious: Hope Church	Installation of free-standing basketball hoop with half-court lines, plus design and construction of two park benches - determined best spot for hoop and confirmed safety from utility lines by calling 811; assembled hoop; dug 3-foot-deep hole; poured concrete and anchored hoop assembly; painted lines; cut, assembled and painted benches.
104	Michael	Cafero	05-23-16	Randolph Township Schools: Shongum	Creation of 3 Kindergarten storage units, two in the closet and a larger one on wheels – designed the storage units to fit the closets and the desired contents; constructed the units and painted them with bright colors; installed them in the Kindergarten room per the teacher's instructions
105	Scott	Beckman	04-24-17	Randolph Township: Dog Park	Renovation of dilapidated dog park to create functional, safe area for dogs and owners to enjoy – rebuilt and repainted five old obstacles; designed and added two additional features - a slalom and a teeter totter; cleaned up and weeded the park area.

### **Troop 50 Eagle Project Summary for first 104 Eagles**

Total hours = over 19,000 from over 2200 volunteers.

Average hours = 190, with range from 40 to 525 hours.

Average # of volunteers/project = 21.9 with range from 6 to 50 people

#### Project Beneficiaries:

38 for Randolph Township

25 for various religious organizations

20 for Randolph Township Schools

5 for Dover

3 for other towns (Boonton, Chester, Mendham)

4 for Morris County

10 for various other agencies and places
